

# Licensed Professional Counselor

Hansen and Associates is a leading provider of comprehensive, mental health, and substance abuse treatment services for clients ranging from childhood, adolescents, and adulthood. Our practice maintains roughly six therapists who specialize in individual, marriage, family, and play therapy, as well as domestic violence and abuse, suicidal thoughts, and eating disorders.

We are seeking someone with strong verbal and written communication skills, ability to work as part of a team, along with a willingness to coordinate with internal teams and external agencies that are also working with your clients.

## Counselor Duties:

Evaluate clients needs and create a custom treatment plan

Teach clients coping mechanisms related to stressful and traumatic they encounter

Help individuals with the resources needed to reach personal goals

Monitor client progress and adjust their treatment plan as needed

Maintain required National Certified Counselor certification for the counseling position

Coordinate with other healthcare providers, agencies and community resources in order to create a thorough treatment plan

## Counselor qualifications and skills

Masters degree in Psychology, Social Work, or Counseling

Previous experience working as an LPC preferred

Excellent communication skills

Ability to empathize with clients

Ability to leverage internal and external resources as part of a client treatment plan
