

## **Psychiatrist**

### **This is a part-time position with the potential of a full-time position**

Hansen and Associates is a leading provider of comprehensive, mental health and substance abuse treatment services for clients ranging from childhood, adolescence and adulthood. Our practice maintains six therapists who specialize in marriage and family therapy, domestic violence and abuse, suicidal thoughts, eating disorders, and depression and anxiety. We believe in the wellness of our clients to merit a holistic approach. Part of that holistic approach is including a psychiatrist who provides medications and psychiatric counseling for mental health issues. This is a part-time position requiring the provider to work Tuesdays and Thursdays as part of a team that manages development and implementation of evidence-based treatments. Reviews and monitors physical symptoms. Orders and interprets appropriate labs. Responsible for discharge planning. Coordinates with other disciplines including primary care staff and external healthcare providers.
